End Stage Discount

For those who have a life-limiting diagnoses such as Stage 4 Cancer, or are in end-of-life care such as hospice, we are proud to offer completely free medical marijuana certifications! Those situations are tough for everyone involved and we would like to make things a little bit easier by lifting this financial burden from the shoulders of those who qualify.

To qualify, please make sure to bring in documentation that demonstrates your illness and its severity such as a letter from your provider or recent visit summary dated within one (1) year of the visit here in our office.

Unfortunately, if you don't have that paperwork at the time of the visit, we will have to charge you but we can process a refund when we receive the documentation. Transmission can be done digitally through e-mail, through the regular mail or by coming down to the office drop it off.
