ALTERNATIVE MEDICINE

Financial Hardship Program

Canna-Wise Alternative Medicine is dedicated to providing the highest quality care at affordable prices.

One way we are helping to offset the price of the Medical Marijuana certification is by offering a \$25 discount for those receiving subsidies like MassHealth, SNAP/EBT benefits, Supplemental Security Income (SSI), Social Security Disability Income (SSDI) or those who's income falls 300% below the federal poverty limit.

Anyone applying for this discount would need to bring in ONE of these proofs of the verified financial hardship such as:

- Official MassHealth acceptance letter for the current year, or official MassHealth redetermination letter for the current year (we do not accept MassHealth Managed Care or official MassHealth cards)
- Supplemental Security Income (SSI) benefit verification letter for the current year
- Social Security Disability Income (SSDI) Benefit Verification Letter.
- SNAP Electronic Benefit Transfer (EBT) statement from the current year (Your Department of Transitional Assistance card is not enough documentation for a fee waiver approval)
- State or federal tax return from this year or last year, including all attachments, that shows you are 300% under the Federal Poverty Level
